Preamble

EUS as a transmission system operator is providing Title transfer service in the EUS transmission system as defined in the applicable Operational Order approved by the Office for Regulation of Network Industries and published on EUS website (hereinafter referred to as the “Operational Order”).

Article 1

Title transfer volume and period

EUS shall enable TTU to transfer the gas ownership from TTU to other Title service user(s) (and vice versa) in the period and volume defined as follows:

Beginning date:

End date:

Estimated maximum Gas quantity for the provision of Title transfer service at VTP

(in MWh per day):

Code pairs for the respective Title transfer service shall be agreed by and between dispatching centers of EUS and TTU.

Article 2

Entering into force and validity of the Contract

This Title Transfer Contract shall become valid and enter into force after signing thereof by authorized representatives of both Parties and shall remain in force till the End date defined in Article 1 hereof.

Article 3

Final stipulations

3.1. Modifications and amendments of this Title Transfer Contract, if necessary, shall be made in a form of written amendment. Such amendment must be signed by the authorized representatives of the Parties under the same procedure as this Title Transfer Contract.

- 3.2. The Operational Order forms the integral part of this Title Transfer Contract. Relationships not regulated by this Title Transfer Contract shall be governed by the Operational Order. In case of conflict between any provision of this Title Transfer Contract and the Operational Order, the provisions of the Operational Order shall prevail.
- 3.3. In accordance with the Operational Order, in case that the TTU is in delay with the payment, then TTU is obliged to pay to EUS delay interest at the rate of 3% above the 3-months Euribor interest rate starting from the date when invoice was due.
- 3.4. TTU declares and confirms by his signature hereof that he acquainted himself with the valid laws governing the natural gas transmission and supplementary services through EUS transmission system and undertakes to fully respect the obligations specified in the Operational Order regarding the Title transfer service and provisions of this Title Transfer Contract.
- 3.5. TTU agrees to publish business name of the company and contact data in the Title Transfer Users List published on EUS's website www.eustream.sk.
- 3.6. This Title Transfer Contract was executed in two copies in English language, of which each Party receives one copy. All copies are equally valid in law.
