

**Commission Regulation (EU) 2017/460 of 16 March 2017 establishing a network code on harmonised transmission tariff structures for gas (hereinafter referred to as „TAR NC“)**

**Art. 30(2)(a)(ii) of the TAR NC – Information regarding the estimated difference in the level of transmission tariffs for the same type of transmission service applicable for the tariff period for which the information is published and for each tariff period within the remainder of the regulatory period**

In line with the Article 30(2)(a)(ii) of the TAR NC the following information should be published:

*„the estimated difference in the level of transmission tariffs for the same type of transmission service applicable for the tariff period for which the information is published and for each tariff period within the remainder of the regulatory period“*

Given that the duration of the tariff period starting on 1 May 2026 is identical to the remaining duration of the regulatory period, the information pursuant to Article 30(2)(a)(ii) of TAR NC is identical to that provided under Article 30(2)(a)(i) of TAR NC.
