

ŽIADOSŤ O PRIDELENIE EIC

Názov spoločnosti																																							
Zobrazovaný názov¹ (max. 16 znakov)																																							
Adresa																																							
PSČ																																							
Mesto																																							
Krajina																																							
Kontaktná osoba																																							
Fax		Telefón																																					
E-Mail																																							
Identifikácia EAN, ak existuje																																							
Európska identifikácia VAT²																																							
EIC Materskej spoločnosti³																																							
Funkcia podniku (vypíšte z uvedenej tabuľky)																																							
<table border="1"> <tr> <td>Balance Group Responsible Party</td> <td>Information Provider</td> <td>Nomination Validator</td> </tr> <tr> <td>Balance Responsible Party</td> <td>Interconnection Trade Responsible</td> <td>Party Connected To Grid</td> </tr> <tr> <td>Balancing Service Provider</td> <td>LNG System Operator</td> <td>Platform Operator</td> </tr> <tr> <td>Capacity Trader</td> <td>Market Area Operator</td> <td>Producer</td> </tr> <tr> <td>Consumer</td> <td>Market Operator</td> <td>Production Responsible party</td> </tr> <tr> <td>Consumption Responsible Party</td> <td>Measurement Service Provider</td> <td>Profile Maintenance Party</td> </tr> <tr> <td>Coordination Center Operator</td> <td>Meter Administrator</td> <td>Resource Capacity Mechanism Operator</td> </tr> <tr> <td>Distribution System Operator</td> <td>Metered Data Aggregator</td> <td>Resource Provider</td> </tr> <tr> <td>Energy Supplier</td> <td>Metered Data Responsible</td> <td>Storage System Operator</td> </tr> <tr> <td>Grid Access Provider</td> <td>Metering Point Administrator</td> <td>System Operator</td> </tr> <tr> <td>Grid Operator</td> <td>Metering Point Operator</td> <td>Trade Responsible Party</td> </tr> <tr> <td>Imbalance Settlement Responsible</td> <td>Network User</td> <td>Transmission Capacity Allocator</td> </tr> </table>				Balance Group Responsible Party	Information Provider	Nomination Validator	Balance Responsible Party	Interconnection Trade Responsible	Party Connected To Grid	Balancing Service Provider	LNG System Operator	Platform Operator	Capacity Trader	Market Area Operator	Producer	Consumer	Market Operator	Production Responsible party	Consumption Responsible Party	Measurement Service Provider	Profile Maintenance Party	Coordination Center Operator	Meter Administrator	Resource Capacity Mechanism Operator	Distribution System Operator	Metered Data Aggregator	Resource Provider	Energy Supplier	Metered Data Responsible	Storage System Operator	Grid Access Provider	Metering Point Administrator	System Operator	Grid Operator	Metering Point Operator	Trade Responsible Party	Imbalance Settlement Responsible	Network User	Transmission Capacity Allocator
Balance Group Responsible Party	Information Provider	Nomination Validator																																					
Balance Responsible Party	Interconnection Trade Responsible	Party Connected To Grid																																					
Balancing Service Provider	LNG System Operator	Platform Operator																																					
Capacity Trader	Market Area Operator	Producer																																					
Consumer	Market Operator	Production Responsible party																																					
Consumption Responsible Party	Measurement Service Provider	Profile Maintenance Party																																					
Coordination Center Operator	Meter Administrator	Resource Capacity Mechanism Operator																																					
Distribution System Operator	Metered Data Aggregator	Resource Provider																																					
Energy Supplier	Metered Data Responsible	Storage System Operator																																					
Grid Access Provider	Metering Point Administrator	System Operator																																					
Grid Operator	Metering Point Operator	Trade Responsible Party																																					
Imbalance Settlement Responsible	Network User	Transmission Capacity Allocator																																					
Štatutárny zástupca		Razítko, podpis																																					
Dátum žiadosti																																							

- 1 Používajte iba dovolené znaky, ktorými sú číslice 0 až 9, veľké písmena anglickej abecedy A až Z a prípadne znamienko mínus (-).
- 2 IČ pre DPH (pôvodne DIČ)
- 3 EIC majoritného vlastníka Vašej spoločnosti, ak existuje.

PRIDELENÝ KÓD EIC (vypíňa Vydávajúci úrad !)			
Identifikácia Vydávajúceho úradu	Typ (X)	Identifikácia	Kontrolný znak

Tento kód je určený k identifikácii účastníka.
